At the School Board Meeting on May 9, 2023, School Board Members voted to approve the policy requiring students K-12 to use clear backpacks at school, starting in the 2023-2024 school year. ***The policy and FAQ are included below to assist you in planning for the next school year.***

In order to support implementation of this policy, for the 2023-2024 school year, all students will be provided with one clear backpack on the first day of school. Families are also welcome to purchase clear backpacks of their choice that align to the policy below.

The clear backpack policy is one of several additional safety measures in our schools. Over the past year, the Decatur Township School Police Force has been increased to seven officers. The use of metal detector wands and random canine searches are also implemented district-wide. We understand that clear backpacks are not the “only” solution to school safety, but is one additional measure to support our district mission. The purpose of all of these practices outlined above is to deter anyone from bringing unsafe and unnecessary items into our schools.

Thank you for your continued support to prioritize safety of all students and staff.

Together we are Decatur Proud!
